

# Hybrid Edge PC + TPU Case for iPhone 7 / 7 Plus

The Naztech Hybrid Edge PC + TPU Case for the iPhone 7 / 7 Plus provides unprecedented, form-fitting protection for your device. Constructed from polycarbonate and thermoplastic polyurethane, this material is precision engineered to be even more protective than silicone, undergoing rigorous drop testing to ensure shock absorbance and impact resistance. Its ultra-slim design allows your device to fit easily inside of your pocket while still providing it with the best protection possible. Cutouts on the case provide you with easy access to all of your ports without getting in the way. This is a must-have accessory for every iPhone 7 / 7 Plus user.

**Features:**

- Made of Durable, Slip-Resistant PC + TPU Material
- Stronger, Tougher Case Solution than Silicone
- Ultra Thin, Adds No Bulk
- Access to all Ports
- Screen and Keys Exposed for Full Accessibility
