

SOUND STORM

Wireless Speaker

The Cycle is a ruggedly designed wireless speaker that is built for rough outdoor play! It combines absolute portability and premium audio engineering into one ultra-compact package. The reinforced exterior is rated IPX7 as waterproof, shockproof and dust-proof, so it's ready for any weather and every terrain. The included bike mount will firmly lock the speaker onto your handlebars so you can fearlessly plunge through puddles and power through your favorite trails rain or shine. Blast massive well-balanced sound from the bike path to the beach with up to 8 hours of wire-free playtime on a single charge. The Cycle is Built to Ride.
