

Universal Magnetic Phone Mount **MagBuddy Vent+**

This cradle-less magnetic mounting system is designed to keep your mobile device at eye-level and easy reach so navigation, hands-free calling and music control is securely at your fingertips even through the bumpiest roads. The Vent+ has a rubberized base that easily slides into place with a universal twist-grip knob that can tighten to grip vents of all sizes and thicknesses. Just hover your device near the base and feel the powerful magnetic force instantly latch on. Keep your hands free and your eyes on the road!
